PART III – Technical Staff**No changes to this section from current license.**

Specify Technical Staff. If facility provides whole body acquisition services¹ and/or uses whole bodies and/or body segments², you are required to complete this portion. List all technical staff, including the highest degree obtained, and job title (submit additional sheets if necessary). Staff of whole body acquisition services¹ must meet requirements of 10 NYCRR Sections 52-11.4(c)(1)(i) - (iii). Staff of whole body users² must meet requirements of 10 NYCRR Section 52-11.5(c). Indicate “NA” if not applicable.

Name	Highest Degree: major and date	Job Title/Responsibility

¹ Whole body acquisition service - A nontransplant anatomic facility that performs donor solicitation, consent, recovery, processing, storage, and distribution of whole bodies and/or body segments for education and/or research purposes.

² Whole body user - A nontransplant anatomic facility located in New York State that obtains whole bodies and/or body segments from a whole body acquisition service for education and/or research purposes.

PART IV**No changes to this section from current license.**

A. Provide or submit a complete list of all facilities that provide nontransplant anatomic whole bodies, body segments, organs, and/or tissues to the applicant, including donor solicitation, recovery, processing, storage, and distribution facilities (submit additional sheets if necessary). Indicate "NA" if not applicable.

B. Provide or submit a complete list of all sites in New York State to which nontransplant anatomic whole bodies, body segments, organs, and/or tissues are distributed by the applicant, including processing, storage, distribution, and usage facilities (submit additional sheets if necessary). Indicate "NA" if not applicable.

C. Submit written protocols and/or standard operating procedures for recovery, processing, storage, distribution, and/or usage of nontransplant anatomic whole bodies, body segments, organs, and/or tissues. If applicable, submit copies of nontransplant anatomic donor medical and social history questionnaire forms, consent forms, and applicable donor selection criteria and protocols.

PART V

I hereby affirm that nontransplant anatomic whole bodies, body segments, organs, and/or tissues recovered, processed, stored, distributed and/or used by this facility are for purposes of medical research and/or health professional education specifically authorized by Public Health Law section 4302.
